Format

All riders placed in order of previously recorded flying 200 meter time. No flying 200 will be recorded at this year's Monday Night Sprints. Acceptable times for seeding purposes: LAVRA Sunday Time Trials, final 2017 Monday Night Sprints time, recent USAC or UCI event. If a racer has none of these officially recorded times, please see Race Director.

The top 8 racers will be placed in a traditional bracket (expandable to 12 or 16 at Race Director's discretion). Single Elimination, with loser matches to place 1-8 and ensure all racers get at least 3 Match Sprints.

All remaining racers will be placed in groups of 4 based on their flying 200 time. Within these groups of 4, racers will match sprint against every other racer in the group round-robin style. The bottom group may comprise 5-6 racers depending on total number, and may include 3-up Match Sprints.
